Presentation

The European meeting for Experts in Digital technologies Simulation – HPC/HPDA – Artificial Intelligence – Quantum Computing

Teratec Forum brings together top international experts in High Performance Computing, Simulation and Big Data, as a reference event in France and in Europe in this field. The Forum is a striking evidence of the strategic importance of these technologies for developing industrial competitiveness and innovation capacity.

Teratec Forum welcomes more than **1 300 attendees**, highlighting the momentum from usages of HPC technologies, amongst a particularly vivid European and French ecosystem. Participation and testimony of senior industrial and IT leaders with diversity and outstanding level of technical workshops, together with representativeness of exhibitors and innovative offerings are major assets provided by the Forum to all professionals concerned by High Performance Computing and Simulation.

The **17e edition** will be taking place on **June 14 & 15, 2022** at **Ecole Polytechnique**.

Come and meet the HPC community to debate on digital, simulation and AI challenges.

→ **Plenary sessions** will focus on the societal and technological challenges of High Performance Computing and Simulation and on the diversity of uses of HPC, with the participation of representatives from the political, economic and academic worlds, international most advanced industrial users and leading technology suppliers.

→ **Simulation and AI Awards** will reveal the champions of Digital Simulation, High Performance Computing and Artificial Intelligence.

→ **Application and technical Workshops** led by key market players, recognized experts and major users will highlight emerging technologies and new domains of High Performance Computing applications of numerical Simulation, Big Data, and AI.

→ Moderated by a journalist, the **Round Tables** will allow the major sponsors of the Teratec Forum to give their vision and present their strategy on current topics.

→ **During two days, an Exhibition comprising around 70 booths** will gather leading Simulation and HPC players. Solution and technology suppliers, software developers, integrators and publishers, service providers and academic researchers, with experts from competitiveness clusters and public bodies will present their latest innovations.

→ **Europa Village**, dedicated area to the European HPC ecosystem, will be open to all organizations working to develop the European supercomputing infrastructure aiming to the success of technological innovation, and operating in particular within the framework of the EuroHPC program. With the participation of Centers of Excellence, Competence Centers, European research projects, infrastructures and service platforms, associations and institutional bodies whose activities are of real added value for economic and industrial parties.

→ On the **Startups Village**, dedicated to innovation and new businesses, major manufacturers will sponsor a dozen startups in the field of artificial intelligence and Computing Performance. This setting will symbolize the importance given by the Teratec Forum to future market players, enabling their promotion towards users and investors in search of latest technological trends.

Our goal is to bring together decision makers and scientific experts in High Performance Computing and Simulation, from industrial and academic worlds, public organizations and research centers.

Set up a booth in the exhibition and professional meetings area, and present your innovations and products, your R&D projects and your organization's business.

Become a Sponsor of Teratec Forum 2022 and get involved in marketing and promotional activities before, during and after the event.

Teratec Forum is a unique opportunity for all the players in high performance computing and numerical simulation to meet partners, customers, prospects as well as journalists.

General Terms and Conditions

The Teratec Forum is organised by Teratec in accordance with the provisions set out in the General Convention on Occupancy of the Ecole Polytechnique, with which Teratec and the Exhibitor must comply.

For the proper administration of these regulations, Teratec maintains at the disposal of the Exhibitor, at all times, the text of the above mentioned Convention as well as the text of the exhibitor's technical file and the schedule of security conditions established by Ecole Polytechnique.

Teratec and the Exhibitor must abide by the rules enacted, in this matter, by the conventions on occupancy pertaining to Ecole Polytechnique.

Insurance & waiver recourse

In addition to insurance covering exhibit objects and more generally, all the moveable objects, the Exhibitor must be insured, at its own expense, for all risks to himself or his staff as well as to a third party.

Teratec and the Ecole Polytechnique are hereby discharged from all responsibility in this regard, particularly in the case of loss, theft or damage.

The Exhibitor's insurance policy must include an explicit clause relinquishing any and all claims against Teratec and Ecole Polytechnique.

Registration of booking

Stalls are allocated in priority to companies that have returned their booking contract and payment made within deadlines.

Teratec reserves the right to modify booth location if necessary, according to the evolution of the Teratec Forum event and that of the exhibitors' competitive environment.

A stand may not be transferred or sublet without the written consent of Teratec.

The overall amount payable for the reservation becomes due when the contract is signed ; the payments must be made according to the agreed schedule.

Disclaimer

In the event of withdrawal, cancellation of the contract or a request for a reduction in surface rented, whatever the date and whatever the reason, the company signing the present contract remains liable for the entire amount, taxes included, of its reservation and for any invoices concerning it, even if the space is subsequently rented to others.

Payment

Should a single one of the payments not be made, the principal amount of the balance of the price and the accrued interest will be right immediately become payable fifteen days after the dispatch of a formal demand which has had no effect, indicating the intention of the organizer to apply the present clause without further legal formalities.

Whatever the case, failure to pay the total amount due for the reservation 15 days before the trade fair will cause the cancellation of the right to make use of the stand without cancellation of the payment obligations.

Payment for the services and additional expenses must be made on receipt of the invoice sent by Teratec or service provider. Every Exhibitor in situation of delay in payment becomes by rights debtor towards the organizer, besides

already statutory late charges, of a fixed compensation for 40 euros collection charges (article L.441-6 of the commercial law).

Booth

The Exhibitor agrees to occupy his stand for the duration of the Teratec Forum. No refunds will be given if the Exhibitor's materials do not arrive on time. Teratec will freely dispose of any stand whose holder will not have presented himself before two hours before the opening of the Teratec Forum, without relieving the Exhibitor of his payment obligations.

No-one will be admitted to the event without presentation of a pass issued or accepted by Teratec. The latter reserve the right to expel any person whose behaviour justifies, in their opinion, such a measure.

Orderliness

The Exhibitor agrees to control the noise level and to respect habitual rules of etiquette. The supervision and discipline of the exhibition are the responsibility of Teratec.

Teratec reserve the right to prohibit all or part of materials, signs or products not meeting exhibition standards.

No notice, sign, or other object may be placed outside the assigned stand. The present conditions constitute a binding agreement.

Shootings

Participation in the Forum implies express acceptance by the exhibitors, their staff, contractors and subcontractors that pictures could be taken of their image during the Forum with potential publishing containing their surname and first name on any communication medium related to the Forum.

Cancellation & Report

In case of force majeure, the dates, the place or the form of the Teratec Forum may be modified. In the case where the Teratec Forum is transformed into a 100% digital event, the Exhibitor will have the possibility to maintain its participation under the new (lower) price conditions or to cancel its participation. In both cases, the amount overpaid will be collected will be returned to the exhibitor. In the case where the Teratec Forum cancelled, a credit note cancelling the invoice will be sent to the invoice will be sent to the Exhibitor. In the case where the Exhibitor has already paid this invoice, it will be proposed to him either to pay back the amount or to carry over this amount as a deposit for its participation in the next participation in the next edition of the Teratec Forum.

Disputes

In the case of dispute on the administration or interpretation of the present contract, The Tribunal de Commerce de Paris will have sole jurisdiction.
