

The image shows several tall, dark server racks in a dimly lit environment. The racks have a perforated metal front. On the left, a rack is labeled 'EMC² VNX SERIES' with a blue light bar below the text. In the center, another rack is partially visible with 'EMC² VNX SERIES' also visible. On the right, a rack is labeled 'EMC² ISILON' with a blue light bar below the text. The overall lighting is dark with blue highlights from the server racks and the text.

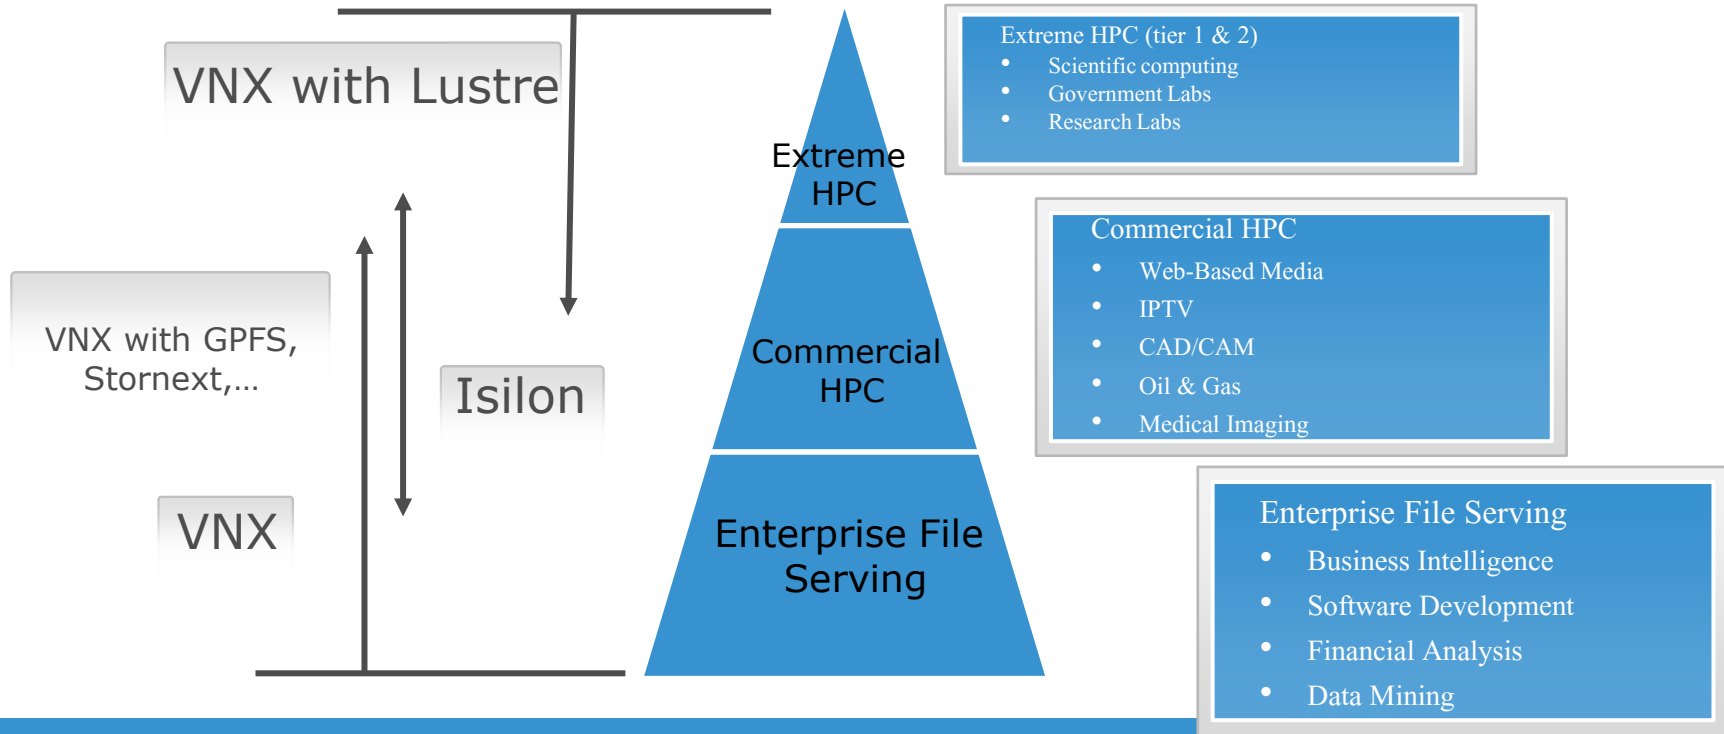

EMC HPC

When Big Data meets Fast Data

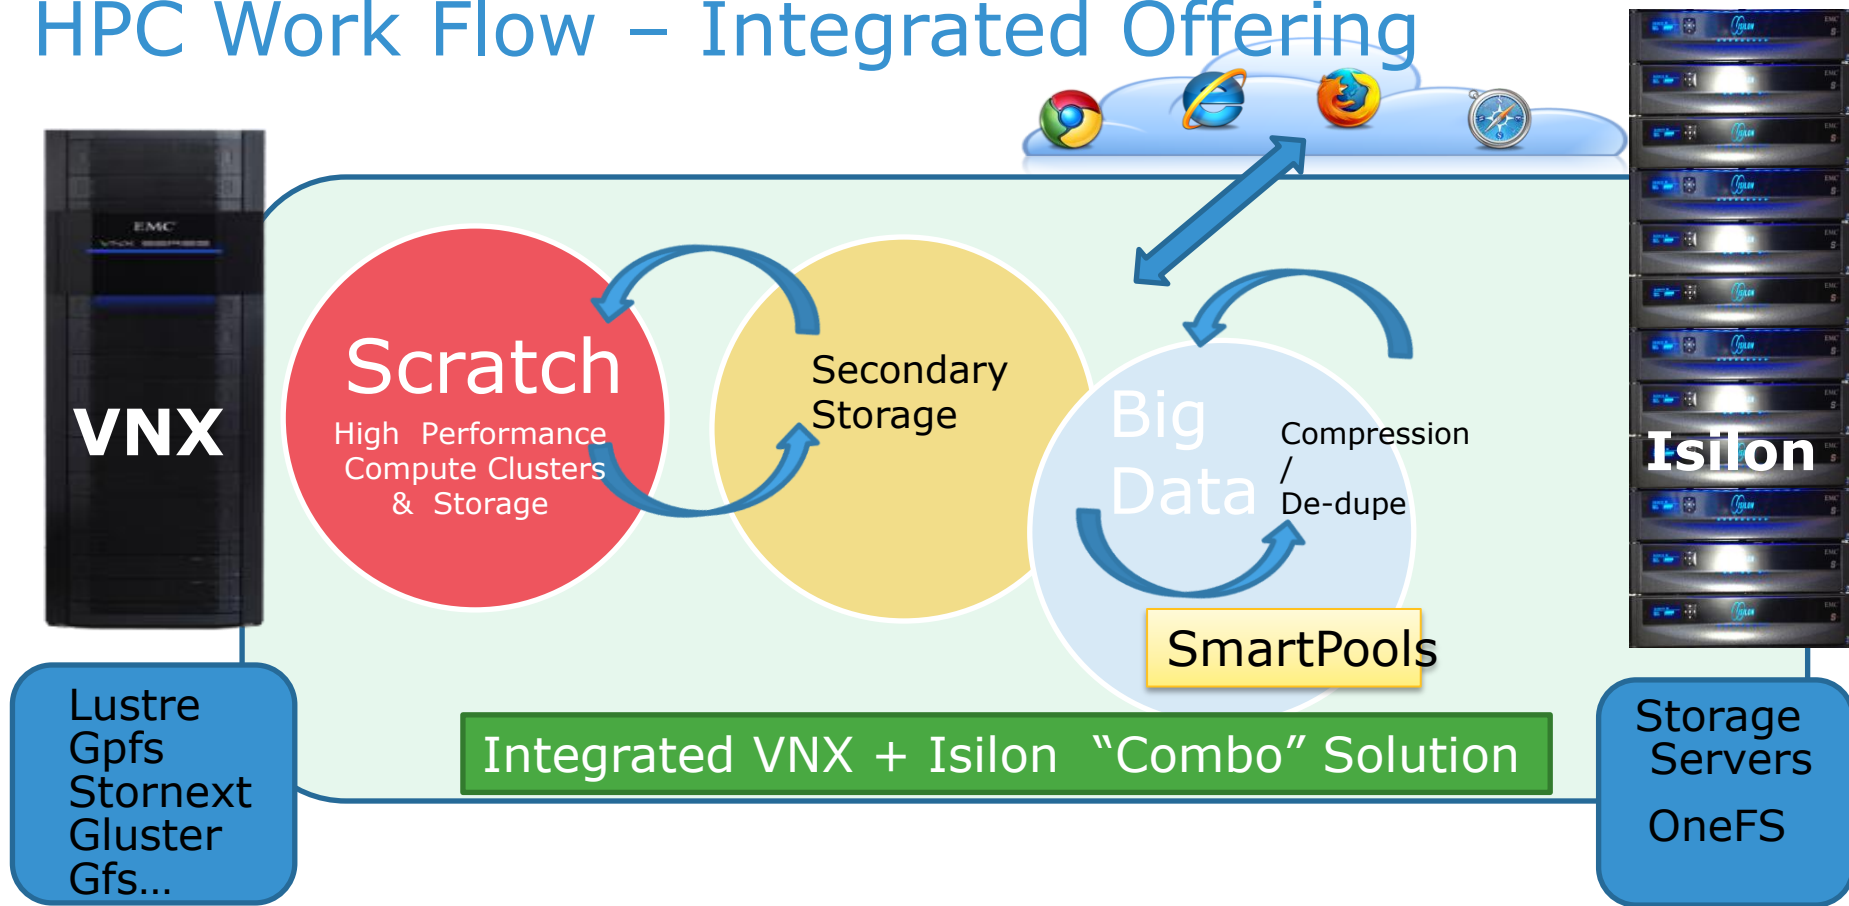

Stratégie d'EMC dans le HPC

- Rachat de Greenplum mi 2011 (B.I - DataMining)
- Rachat d'Isilon fin 2011 (Nas Scale Out)
- Référencement par le National labs
 - Accord Cray -EMC
- Référencement au TERATEC fin 2012
- Participation à Numinnov Project/Xtrem Factory
- ...

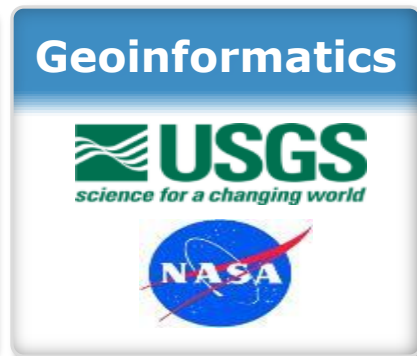

HPC : EMC positioning

HPC Work Flow – Integrated Offering
